PERSONAL STATEMENT

As a highly motivated and passionate Junior Web Developer, I'm looking for an opportunity to continue learning new skills and take on new challenges.

I have 16 years of managerial experience, dealing with team management, identifying areas of opportunity within the business and maximizing profits.

WORK HISTORY

January 2007 - current

Assistant Manager

Scarborough Hotel, Leeds, West Yorkshire

- Brand leading in guest satisfaction scores
- £1.5 million turnover, constant sales growth and excellent profit conversion
- Company Leading in brand standards for food and fire safety scores
- Consistently below brand and industry staff turnover figures
- Proactively identified areas of opportunity to drive both sales and profitability

January 2012 - January 2014

Photographer

Rayner Photography, Hull

- Co-ordinated photographic content for both company and clients web pages
- I handled award ceremonies with discretion and professionalism as they were often attended by a celebrity guest
- Produced photographic material to high standard under tight deadlines
- Ensured the final product was always to professional standards and ready for sale
