As a highly motivated and passionate Junior Web Developer, I'm looking for an opportunity to continue learning new skills and take on new challenges.
I have 13 years of managerial experience, dealing with team management, identifying areas of opportunity within the business and maximizing profits.

EXPERIENCE

January 2007 to Current

Assistant Manager *Scarbrough Hotel*, Leeds

- Brand leading in guest satisfaction scores.
- £1.5 million turnover, constant sales growth and excellent profit conversion.
- Company Leading in brand standards for food and fire safety scores.
- Consistently below brand and industry staff turnover figures.
- Proactively identified areas of opportunity to drive both sales and profitability.

January 2012 to January 2014

Photographer *Rayner Photography*, Hulll

- Co-ordinated photographic content for both company and clients web pages.
- I handled award ceremonies with discretion and professionalism as they were often attended by a celebrity guest.
- Produced photographic material to high standard under tight deadlines.
- Ensured the final product was always to professional standards and ready for sale.
